Kids’ Fun Street Schedule

Come visit Kids’ Fun Street where kids can have fun making creations!

We are super pumped for Kid’s Fun Street again this year! Lots of creative, fun and community crafts! This year at we are launching #AIAGCROCKS where you decorate a rock and then these rocks will be part of an ongoing scavenger hunt for years to come. Where will your rock travel to! Sometimes it can get hot from all the playing and excitement during the festival, so head on over to Kid’s Fun Street to craft a fan. Or for those windy days, create your very own bird kite! We will also be making Paper bag Friends. Will yours be a butterfly or superhero? Speaking of superheroes, check out our superhero cuff booth where you can create your very own arm cuffs and save the day! Once you have saved our community, go check out our orbs ball. Made with water beads that help relax at the end of long day of being so creative! Other fun activities include a bounce castle, temporary tattoos and a corn pit! We hope to see everyone down at Kid’s Fun Street where all the fun happens!
