*WE:LEAD - Women Empowered: Leading, Educating and Developing Empowered*

*Our Women's Leadership program hosts a variety of networking and professional development events throughout the year, culminating in the highly anticipated Annual WE:LEAD Women's Business Forum each spring.*

*This event brings together women from all career levels to 'Lead, Educate, and Develop' in an engaging full-day forum.*

*Participants can look forward to an inspiring keynote address from a renowned regional speaker, along with multiple sessions tailored to various professional interests. The event also includes lunch and ample networking opportunities, making it a favorite business forum within our community.*

*As we enter our 13th year, there are multiple ways to get involved and support this empowering initiative. Join us in celebrating women's leadership and development in the workplace!*
